VII. Secretary Report I: Gen O.

I have made copies of the GSR forms, totaling \$9.47 but have not yet picked them up. Once I do, I will bring the receipt to next ASC. I am moving to Richmond this Tuesday, but still plan on serving at the Area level by driving every month to fulfill my position.

IX. Vice Chair Report: Vice Chair, John L.

Good afternoon ASC

Since my last report, most of my time has been devoted to fulfilling my duties as pro-temp chair and finding a qualified nominee who is willing to serve.

Why there are so many qualified RANA members with ASC experience who are willing to serve on the subcommittees, one in particular, while this key service position remains vacant is a question which I simply don't have an answer to.

Again, I would ask the GSR's to familiarize themselves with the qualifications and go back to your home groups with a sense of urgency around discussion of this issue. Creative action may be required, as there are plenty of qualified members out there who may need just a little bit of encouragement to step up. I have reserved some time during "open sharing" to discuss this.

Unfortunately, I still haven't completed the Rana quarterly audit outlined in my vice chair duties. I will redouble my efforts and should have numbers available to share with the service body by June's ASC.

ILS,
John L.

X. Treasurer Report: Report read by Matt J., Treasurer II

Treasurer Report for RANA ASC – May 2016

Dear RANA ASC Members,

Thank you for allowing me to serve.

I apologize for my absence but I have confidence that Matt J. will fill the role of Treasurer I today with ease.

Our beginning balance as of the start of Last Month's ASC was \$2930.34. Our expenses last month totaled \$778.70. The following checks were written:

Check #:	Amount:	To:	For:	Budget:	Receipt
1083	600.00	Shana C.	Activities	Yes	No
1084	50.00	Antoinette B.	Gas RCM	Yes	No
1085	128.70	Kemper B.	Meeting Lists Q2	Yes	Yes

At the time of writing this report Corey C. has not sent me a Literature order for April.

Our deposit from April's ASC was \$813.04. The income breakdown is on the following page and will be inserted into the minutes for this ASC.

I did not receive a payment from Antoinette B. during the month of April. She is paid up to half of November 2015. Including this month's payment due, she has a due balance of \$260.00 to become current.

Our calculated balance as of the start of today's ASC is \$**2964.68**. That leaves us \$1934.93 **above** prudent reserve.

In Loving Service, Kemper B.

XII. Subcommittee Reports

A. Activities Report: Shana C.- Activities Chair

- Activities met April 6, 2016- five members attended the meeting and the Spring Gala was discussed

- A decision was made on April 23, 2016 to cancel the Spring Gala due to an apparent lack of interest in the area. The event would have been expensive and a large portion of the budget would have been lost if attendance was poor. It was deemed to be fiscally irresponsible and overall to not be a good idea at this time.
- A 4th of July Speaker Jam/Picnic is being planned
- Shana C. is resigning from position of Activities Chair- see attached resignation letter

Dear Rappahannock Area of Narcotics Anonymous:

I regret to inform you that I am resigning from my service position as the Activities Chair Person. It has been both an honor and a privilege to serve RANA in this capacity, but it is necessary for me to resign due to unforeseen personal and medical reasons. I happily offer my support if wanted and/or needed to whomever assumes this service position in the future. I sincerely thank all of you for allowing me to be of service to our area as the Activities Chair.

In Loving Service,

Shana C.

3rd Sunday of the month 2pm April 17th voted regular meeting voted for that time. Learning day in CB of Bowling Green. Venue for PR H&I learning day. Spoke with regional PR chair for support. Region's schedule too full. Do meeting with H&I and Outreach and do it at Area level. Orientations and learning days are needed. Lots of newcomers with little experience. When we train them our area will be better. Heroin pandemic, group will do poster hangin day to let people know we are here to help. This month or next month. Next meeting May 15th at 2pm.

No Discussion: Jon F. wanted to know about a phone meeting. Mike S. said we will discuss it at the next meeting so people aren't confused.

E. Adhoc Subcommittee- Church communications Absent

F. Outreach Pro Tem: Jon F.

Went to meetings & stayed clean. First off, we will be moving the time of our Subcommittee Meeting from 1PM to 2PM so that it does not conflict with when Primary Purpose meets. Our first meeting will be held on Sunday, May 22 then @ 2PM via conference call. I did not get flyers printed as intended, so if you would like the call in number and meeting code please see me at break. Attended both the H&I and PR Subcommittee meetings for the purpose of coordinating services. Assisted the groups in Colonial Beach with some issues they were having. Unfortunately due to scheduling conflicts I was only able to make it out to Bowling Green once this month. We did have a few people step up and go out there. I would like to thank Dawn L for obtaining some IPs for the groups at CPRCNA to help out with their literature situation. The Culpeper meetings continue to grow—attendance hasn't been this strong in a couple years. That said a recent news report stated there were as many heroin related deaths in Culpeper County in April as there were all of last year. I have not had a chance to speak with Mike S since he returned from his trip, but I think a community PR effort might be helpful out there to let people know NA exists and is available.

I feel coordination, collaboration and cooperation between PR and Outreach is very important, especially as both subcommittees rebuild. In Mike we have someone who has served in his position in other areas, but none had Outreach Subcommittees. I have served in my position in another area, but the PR Subcommittee's stated duties under policy consisted of updating and printing monthly meeting lists and updating the area website—so Outreach was charged with the "fellowship development" duties. In other words, in our previous service experience we've been used to doing elements of each

other's duties. RANA Bylaws clearly carve out what each subcommittee is responsible for in this area, and our combined experience in both fellowship development and outreach can be a benefit to each other. I feel right now a spirit of cooperation exists. Outreach will likely need to draw on the resources and support of PR as we grow especially in supporting Bowling Green. Mike and I actually had basically the same idea in trying to get a carload or two of people out there once a week, so I feel like we're on the same page in terms of what needs to be done there, it's just a matter of coordination.

On the ground level, Outreach is all about helping build area unity. That unity can only exist if all groups near and far feel connected to and a part of our area. While this committee meeting is a symbol of area unity as we have groups near and far represented, it's important for GRSs—especially of those representing our more geographically isolated groups—to go back to your groups and inform them of our area's activities. Make something that may seem so far away to your members closer to home by taking the time to explain what this ASC is doing for your group. Bring another member along next month so they can see in person. PR and Outreach have conference call subcommittee meetings. If your group is isolated that's a great opportunity for your members to be involved on two of our subcommittees without leaving home.

In loving service,
Jon F

Discussion:

G. Mini convention- Mark T.

Good afternoon, The RACC met on April 12th at 3331 Shannon Airport Circle. There were 4 people in attendance. Corey graciously provided us with the meeting space as well as designed and printed color copies of our speaker jam flyers. Rudolph suggested we have a fish fry and has already obtained the fryer for our use. I contacted The Hospitality House and requested quotes for our venue.

They are as follows: • 6500 square feet of meeting space from Friday at 5:00PM until Saturday at 7:00PM- \$3,000 • The same space for all day Saturday until midnight-\$2,500 • Coffee-\$32 per gallon + tax & gratuity • Rooms are \$99 + tax • Bonnie Martin, General Manager, has offered to give the committee a tour and answer any questions.

She has experience with conventions of this sort. I have also opened a bank account with BB&T and will have to accompany the other signatory members as their time and schedules will allow.

In loving service,
Mark T

Motion #04/03-14: To remove Article 12 section 1 Item B. "Homegroups that fail to show up to ASC three times in 6 month period or 6 times in a 12 month period will be removed from the website and meeting list"

Result: TABLED

XVI. Open Sharing

- John L. has not done quarterly audit because he doesn't feel comfortable doing it all himself. Use 2 other members one of which must have accounting experience. If he doesn't have volunteers he will appoint. Also non-financial operations were discussed. We need inventory of literature to make sure other subcommittees aren't spending more than their budget. John doesn't feel comfortable appointing his own people so we will delay and look for qualified members. He will check the bank account to make sure all the money is there, but will not do alone. We can put forth a motion to push the audit back further. Literature will be the bulk of the work. GSR's have been frustrated with literature not keeping up with the orders. Erin B. said that Corey has not yet received the order.
- Jerine is wondering if we are setting ourselves up for failure having all these subcommittee meetings multiple Sundays out of the month
- Richard wondered if Bowling Green meetings received a new meeting kit, and Jon F. said that they did and are already an established meeting.
- John L. says some people have expressed interest in taking the Vice Chair position. There are plenty of people capable of taking the position. Some people might not want to take the position because of GSR commitments. John is feeling overwhelmed doing both positions and we need someone to step up.
- Dawn L. says we can change the bylaws to allow Jon F. to be Outreach and GSR. John L. says we don't change by-laws willy-nilly. Dawn wants to waive for a specific instance not necessarily

changing the whole by-laws. Jon F. says most of the homegroup members live in Sperryville and probably won't want to drive.

Motion #05/01-5: To take legal grand larceny charges against Antoinette B. for failure 7 months to make restitution for stolen \$5,000 to plus area funds

Maker: Primary Purpose 2nd by: Donna

Intent: To do closure on the stolen area funds

Discussion: Contract and repercussions were discussed and whether or not we can hold Antoinette B. accountable. Members who were present at that time said there was a contract drawn up and signed by a notary and Antoinette and is on file. There is a report on the RANA site about what happened at that time. The facts were that Antoinette had taken approximately \$5,000 and agreed to make payments of \$40 a month in April 7th 2013. As of now, no payments have been made for 2016. She is currently \$240 behind in payments (7 months), and there have already been several motions made for extensions. Antoinette B. said earlier that she had a money order but had not given it to the Treasurer yet. We discussed that tabling it may be best in order to retain all the facts behind the agreement and repercussions, and to see if Antoinette did in fact have a money order. Another member brought up that in legal matters like a mortgage, if one gets behind on payments, he/she immediately must pay the amount in full. Another member read the letter of intent aloud: "being of sound mind and body, I Antoinette Baker, do voluntarily of my free will admit and take full responsibility for not depositing Rappahannock Area funds into Carter Bank and Trust at Bragg Road Fredericksburg, Virginia that I was entrusted with as the Rappahannock Area of Narcotics Anonymous Treasurer. I also take full responsibility for forging the signature of the Rappahannock Area Narcotics Anonymous Chairperson, and cashing two checks that I wrote to myself. My actions of embezzlement, forgery, utterance, and grand larceny resulted in me taking \$3,903.37 from the Rappahannock Area of Narcotics Anonymous. I do have complete and total understanding that this signed admissions of guilt documents my criminal activity during the period of September, 2012- February 2013. I do understand that this signed document can and will be legally used against me and that upon failure to make full and total financial restitution legal proceedings will then be taken against me expeditiously and without fail." Signed April 7th, 2013 along with a notary signed July 31st, 2013. There is also a payment agreement plan is made "between Antoinette Baker and Rappahannock Area of Narcotics Anonymous wherein the payee agrees to make payments to the party in accordance to the terms provided below: \$10 to be received by the Rappahannock Area of Narcotics Anonymous P.O. box on or before Monday of every week from April 15, 2013 until the outstanding balance is paid in full by which is as of now \$3,903.37. Payments must be made in money order and mailed to the address of (our P.O. box).

Failure to make payment will result in actions set forth in the letter of intent between Antoinette Baker and Rappahannock Area of Narcotics Anonymous.” Antoinette B. wrote at the end: “I have read the payment and agree with all the terms.” We also discussed getting the exact amount that Antoinette B. still owes and taking into account the payments she has made already. It was said that GSR’s had an obligation to hold her accountable 7 months ago when she missed a payment rather than granting her extension. Another addict said that we have the authority to charge her right now because the terms of the agreement have been broken, but that it may be prudent to send this back to groups. John L. appointed Mike S., Jerine, and Kemper B. to serve Ad-hoc to gather information regarding Antoinette B.’s money order, her payment history, and the exact amount she still owes.
